

EVAN LANE

ARTIST.COACH.MUSICIAN

Born and raised in Milwaukee, Wisconsin. A true 'Midwestern-er.' I began my classical training in 4th grade, 1999. Before that my first gig was singing with my school choir at age 6 at a Starbucks for the Holidays.

I've continued to chase music as much as possible. Taking every opportunity, declaring it as a major and now teaching and producing original content. I'm excited for the future of my career and eager to use my talents to serve the world.
